Subject: Levin, Rocanville Notice and Sale Within Community Pit

Hi Tom:

I got your voice mail. Sorry I did not send this sooner. I thought you were going to send me your inspection reports and I was going to use the reception of those as a reminder.

The BLM currently has a community pit UTU 78274 for stone at T. 17 S., R. 13 W., sec 27: W1/2, sec 34: All and T. 18 S., R. 13 W., sec 4 E1/2.

Within some of the area covered by this community pit, Levin Stone has a notice, UTU 78278, that has expired. The notice covers T. 17 S., R. 13 W. sec. 34: E1/2W1/2NENW, W1/2E1/2NENW and T. 18 S., R. 13 W., sec. 3: N1/2SWSWSE, S1/2NWSWSE, sec. 4: SESWNWSE, SWSENESE, NWNESWSE.

Rocanville Wing JV also had a notice and a sale within the community pit area. The notice, UTU 78289 covered T. 17 S., R. 13 W., sec. 34: E1/2NENWNW, NENW. The sale, UTU 78292 covered T. 17 S., R. 13 W., sec. 34: E1/2NENW, NWNENW.

Levin Stone under UTU 78278 is supposed to be reclaiming a site within section 3 that consisted of a staging area. The reclamation is supposed to be completed by the end of October. The BLM still holds the bond and I intend to have the reclamation completed this fall whether Levin does it or BLM attaches the bond and we do it. The remaining area of disturbance for this notice which was in section 4 was reclaimed some time ago (you and I inspected it together a number of years back).

The notice and sale of Rocanville, UTU 78289 and UTU 78292 disturbed an area in the west half of section 34. This disturbance is being kept open under the Community Pit UTU 78274. We no longer consider Rocanville responsible for reclamation of this site. When the community pit is sold out BLM will reclaim the site.

I hope this is enough information to keep your files on these areas in good shape. If you need additional information, please let me know. I will try to keep you better informed on our actions as you are very good at doing for us.

Thanks!
